

## SOCKET-TYPE POWER METERS

- Large LCD screen with 3-row display
- Displays time, power consumption, voltage, current, power, power factor, and energy cost
- Total kWh and cost can display up to 9999
- Built-in rechargeable battery prevents data loss in case of power outage

### PLUG AND SOCKET TYPE

9675-EU03

### SPECIFICATION

Part No.	9675-US01	9675-FR02	9675-EU03	9675-UK04	9675-AU05	9675-BR06
Power plug type	type B	type E	type F	type G	type I	type N
Rated voltage	100V~127V	220V~240V				
Rated current	15A	16A		13A	10A	
Maximum load	1800W	3680W		3120W	2400W	2200W
Accuracy	±2%					
Working environment	temperature: 50°F~104°F, humidity: 20%RH~80%RH					
Dimension (L×W×H)	2.28×2.95×4.92"					
Net weight	.33lb
